YOGI VEMANA UNIVERSITY, KADAPA-516005

CURRICULUM VITAE
Prof. Dr. V. SUNITHA

Personal Details:

Name	:	**Dr. V. Sunitha**
Father's Name	:	Late Shri. V.C Kesava Reddy
Mother's Name	:	Smt. V. Venkata Subbamma
Date of Birth	:	**20-05-1973**
Place		Anantapur ANANTAPUR (Dt).
Address	:	Professor, Department of Geology, Yogi Vemana University, Kadapa -516005, Andhra Pradesh, India. **Mobile**: **+ 91-9441117475** *vangala_sunitha@yahoo.com* e-mail: *vangalasunitha@gmail.com;* *sunitha@yogivemanauniversity.ac.in*

Scholarly index:

- **Citations : 2417**
- **h-index : 27**
- **i-10 index : 68**
- **Orcid ID :** https://orcid.org/0000-0002-4776-8477
- **Google Scholar:** https://scholar.google.com/citations?user=xx5yJc4AAAAJ&hl=en
- **Researchgate:** https://www.researchgate.net/profile/V-Sunitha
- **Loop profile:** https://loop.frontiersin.org/people/2788526/overview
- **Scopus profile:** https://www.scopus.com/authid/detail.uri?authorId=24829760400

Academic Qualifications:

- **B.Sc.** (Geology, Physics, Chemistry), Sri Krishnadevaraya University, Tirupati, 1995
- **M.Sc.** (Geology), Sri Venkateswara University, Tirupati ,1997
- **M.Sc.** Tech (Applied Geochemistry) Osmania University, Hyderabad, 2000
- **Ph. D.** (Applied Geochemistry), Osmania University, Hyderabad, 2004
- **PDF.** Raman Post doctoral Fellow: Dept of Geology, Environmental Earth Sciences, Miami University, Oxford, Ohio USA: Dr. Mark P.Krekeler 2016-2017.

Present Designation/Position:

- **Professor, Department of Geology, Yogi Vemana University, Kadapa**

Teaching Experience: ~ 19 years

S.No	Position Held	Name of the Employer	From	To
1	Project Fellow, DST	National Geophysical Research Institute NGRI, Hyderabad	2000	2001
2	Project Fellow,	National Geophysical Research Institute NGRI, Hyderabad	2004	2005
3	Project Fellow	Dr. B. Rajeswara Reddy, Osmania University, Hyderabad	2005	2007
4	Assistant Professor (Stage I)	Yogi Vemana University, Dept of Geology	27.06.2007	26.06.2011
5	Assistant Professor (Stage II)	Yogi Vemana University, Dept of Geology	27.06.2011	26.06.2016
6	Assistant Professor (Stage III)	Yogi Vemana University, Dept of Geology	27.06.2016	26.06.2019
7	Associate Professor	Yogi Vemana University, Dept of Geology	27.06.2019	26.06.2022
8	Professor	Yogi Vemana University, Dept of Geology	27.06.2022	Till now

International work Experience: ~ 2 years

Raman Post doctoral Fellow: 2016-2017, Dept of Geology, Environmental Earth Sciences, Miami University, Oxford, Ohio USA: Dr.Mark P.Krekeler

Research on Phospahte sorption on Kyanite aluminium rich minerals Urban pollution studies Gary Indiana, USA.

Academic Experience:

Teaching: 19 Years

Research: 26 Years

Areas of Specialization:

- Environmental Geochemistry
- Hydro-geochemistry and Groundwater Pollution
- Hydrogeology
- Remote Sensing, GIS

Academic Honors:

- Distinguished Woman Educator & Scholar Award 2023, NFED Coimbatore
- Andhra Pradesh Best State Teacher Award, 2022

- Best Woman Researcher Award, Narishakthi 2022.
- Outstanding Women Educator & Scholar Award, NFED Coimbatore, 2022
- Senior Educator Award, 2021on September, 5, 2021, NFED Coimbatore,
- Andhra Pradesh State Scientist Award 2020
- Outstanding Scientist Award from International Scientist Awards on Engineering, Science and Medicine, Coimbatore, India.
- Bharat Vikas Award, 2019
- Outstanding Geochemist from Venus International Research Award Chennai, 2019.
- Associate Fellow, Government of Andhra Pradesh, Andhra Pradesh Academy of Sciences, Amaravathi in 2018
- **Raman Post doctoral fellowship U.S.A for the year 2016-17. UGC, New Delhi, India**. Young Scientist: Department of Science and Technology, New Delhi, 2007
- Principal Investigator in the DST Research Project 2007
- Fellowship from APCOST (Andhra Pradesh State Council of Science & Technology, Hyderabad), 2000
- **CSIR (Council of Scientific and Industrial Research) UGC-NET Eligibility for Lectureship, 2000.**
- **Fellowship from UGC, University Grants Commission New Delhi 2005**

Projects completed as Principal Investigator: ~ 3

S.No	Title	Cost (in rupees)	Duration	Agency
1	Phosphate sorption on Kyanite and or other aluminium rich minerals. UGC Raman Post doctoral fellowship (**F. No. 5/50/2016(IC) (SR), Dated: 10.02.2016**). 2015-2016 (plan). **UGC**, New Delhi, India.	25,17,752	2016-17 One Year	**University Grants Commission**, New Delhi, India.
2	Geochemistry and health impact of fluoride in Ground water in parts of Anantapur District, Andhra Pradesh. **D.O. No. SR/FTP/ES50/2007**	12,00,000	2008-2011 3 Years	Department of Science and Technology **New Delhi,** India.
3	Bioremediation of Heavy metals through Geomicrobes from soil and Groundwater: A case study around Tummalapalli Uranium	29,70,000	2022-2025	Department of Science and Technology SERB: DST (SERB Power Grant)

	mining area, Kadapa, A.P. **SPG 1202L1003587**			New Delhi, India.

Research guidance and Supervision:

Ph.D. Guidance: Awarded: ~ 4

S.No	Name of the Candidate	Title of the Thesis	Year of Award
1	J. Abdulla Khan, Inspire Fellow-DST, New Delhi	Lineament analysis for Natural Resources Management in parts of Papaghni sub basin using Remote Sensing Techniques	March, 2016
2	B. Muralidhara Reddy, Project Assistant-DST, New Delhi	Geochemistry and health impact of fluoride in Groundwater in parts of Anantapur District, Andhra Pradesh	April, 2016
3	B. Suvarna	Hydrogeochemistry and evaluation of Groundwater Quality in and around Yerraguntla mandal, Y.S.R District, A.P. using GIS techniques	July, 2021
4	Y. Sudharsan Reddy, Inspire Fellow-DST, New Delhi	Evaluation of Groundwater Quality and its Health implication around inactive mine areas Southwestern part of Cuddapah Basin using Geographical Information System (GIS)Techniques	September, 2022

PDF. Guidance: ~ 1

S.No	Name of the Candidate	Title of the project	Year
1	Dr. Etikala Balaji	Effects of Urbanisation and Industrialisation on Groundwater and soils, Its Health Implications and Management in Urban Watersheds of Tirupati District, Andhra Pradesh, India: A Geospatial Approach Towards Sustainable Urban Watershed Management. From ANRF (Erstwhile SERB) with reference no. PDF/2023/001796	2024-2026

Memberships/Fellowships in Professional Bodies

- Distinguished Fellow, National Foundation for Entrepreneurship Development, Coimbatore, India.
- Life member in National Foundation for Entrepreneurship Development, Coimbatore India, LM/NFED/116/09/2021
- Life member in National Environmental Science academy **(NESA)** Membership No: 2017
- Life Member: Indian Women Scientists Association IWSAH-20-004 since 2021
- Member: The Asia Society of Researcher: R 2190 93281
- Member- South Asia Institute of Science and Engineering (SAISE) Membership No: 20201214001
- Member in *International Association of Hydrological Sciences* (**IAHS**), UK
- Life fellow of the **Third world organization for women in science and technology** (**TWOWS**).
- Fellow - Indian Society of Applied Geochemists **(ISAG)**
- Life Member - Association of Environmental Geochemists **(AEG)**
- Life Member - International Association of Engineers (**IAENG)** Membership No: 220037.
- Member in **Indian Geological Congress (IGC)**
- Fellow - Society of Earth Scientists
- Fellow - Indian Academy of Geosciences **(IAG)**
- Life Member - Journal of Indian Geophysical Union (**IGU**)
- Member: International Geoscience Education Organization (**IGEO**)
- Member: International Society for Environmental Information Sciences (**ISEIS**)
- Member: Ocean Futures Society
- Working as Chairperson, Board of Studies, Department of Geology, Environmental Sciences, Govt. Arts College, Kadapa
- Working as member, Board of Studies, Department of Geology, Yogi Vemana University, Kadapa
- Member: Academic calendar, YVU College
- External Examiner: Kakatiya University, Warangal
- Question paper setting: Question papers (U.G. and P.G.) are set for internal exams of Y.V. University and External for other universities like Mahatma Gandhi University, Nalgonda, Telanagana state, and some other university, Autonomous colleges in Andhra Pradesh.
- NSS Programme Officer: Regular and special camp activities 27.1.2020 to 1.2.2020

Administrative Experience:

- Member, Board of Studies, Department of Geology, Kakatiya University, Warangal
- Coordinator, College Development Council, Yogi Vemana University since 2020
- NSS Programme officer Unit V YVU since 2019
- Member Grievance Cell, YVU since 2020
- Coordinator E class Room, YVU since 2018
- Worked as observer for NEET 2018 at Tirupati Regional centre
- Worked as an observer for AP EAMCET 2016 at Guntur Regional centre.

- Worked as Observer for APSLET 2014 & 2015
- Coordinator, Department of Geology 2014-2016
- Member, Nature club since 30.3.2016
- Member of organizing committee for many conferences/seminars/workshops held at Department of Geology, YV University, Kadapa
- Member in the inspection committee for the establishment of new colleges under Y. V. University, Kadapa
- Coordinator, Dept. of Geology, YVU 7.8.2014 to 27.08.2016
- Participated in DST sponsored Inspire Internship Science camp 2016 during Nov 1-5 2016 at YVU, Kadapa
- Warden Women's Hostel, Yogi Vemana University, Kadapa during 2012-2016
- Member, Directorate of Admissions, YVU, 2016 to till date
- Participated in DST sponsored Inspire Internship Science camp held during December 14-18 2017 at YVU, Kadapa
- Reception committee for All India Inter University Ball Badminton Men Tournament-2017. Dt: 14.12.2017
- Participated in DST sponsored Inspire Internship Science camp held during December 14-18 2017 at YVU, Kadapa
- Coordinator, in charge for E-Class Room I, Dt: 23.1.2018
- Member, Programme committee, A.P. Science congress 2018
- Ph.D. Adjudicator for Andhra University, Osmania University
- Question papers (U.G. and P.G.) are set for internal exams of Y.V. University and External for other Universities like Osmania University, Mahatma Gandhi University, Nalgonda, Telanagana state, and some other university, Autonomous colleges in Andhra Pradesh.
- Paper setting for B.Tech Environmental Studies, QIS College of Engineering & Technology, Ongole, A.P. India

Editorial board member:

- Editorial Board member in Frontiers in Water
- Editorial Board member in American Journal of Water Science and Engineering
- Editorial Board member in Journal of Earth Sciences
- Editorial Board member in West African Journal of Applied Ecology (WAJAE)
- Editorial Board member in International Journal of Environmental Science &Technology (IJESTR)
- Editorial Board member in World Academic Publishing JCES, Hongkong.
- Editorial Board member in Global Scholars Journal of Physical and applied Sciences (GSJPAS)
- Editorial Board member in International Journal of Environmental Science: Development and Monitoring.

Topic editor:

- Topic editor for "Effects of Floods on Human Health: Risks and Mitigation" in Frontiers in Water

Reviewer:

- Acted as a Reviewer for **Elsevier** Journals, ***Sustainable Water Resources Management***
- Acted as a Reviewer for ***Springer Journals, Energy, Ecology and Environment***
- Acted as a Reviewer for International ***Journal of Earth Sciences and Engineering (IJEE)*** *ISSN-0974-5904.*
- Acted as a Reviewer for Journal of Civil Engineering and Science (JCES)
- Acting as a Reviewer for International Journal of Environmental Science and Technology (IJEST)
- Acted as Reviewer for National Academy Science letters
- Acted as a Reviewer for Water and Environment Journal (Wiley Group)
- Acted as Reviewer for African Journal of Agricultural Research (AJAR)
- Acted as Reviewer for Journal of Water Resource and protection (JWARP)
- Acted as Reviewer for Journal of Civil Engineering and Construction Technology (JCECT)
- Acted as a Reviewer for Polish Journal of Environmental studies.
- Acting as a Reviewer for Journal of Water Resource and Protection (JWARP).
- Acting as Reviewer for Journal of Emerging Technologies and Innovative Research (JETIR)
- Environmental Sciences (GJAES).

Seminar/Conferences Organized: 05

- Organized a Five-day National Workshop (Online mode) as Convener on "Recent Trends in Geosciences" During February 27 to March 3, 2023 at Yogi Vemana University, Kadapa, Andhra Pradesh.
- Organized International Conference as Co Convener for Three-Day International Conference on **Research Innovations & Challenges (ICRIC)** – 19-21 January 2023 Created & Powered By – Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.
- Organized National Workshop as Convener on "Recent Trends in Geosciences" on March 13, 2015 ay Yogi Vemana University, Kadapa, Andhra Pradesh.
- Organized National Workshop as Convener on "Covid 19 Therapeutics& Vaccines at Yogi Vemana University, Kadapa, A.P. 2021 on 16.7.2021.
- Organized International Conference as Co Convener on "Contemporary Researches in Engineering, Science, Management & Arts Transformation" (ICCRESMA) – 27-29 January 2022 – Created & Powered By – Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.

Faculty Development Programmes/Special Courses/Webinars attended:

- National Webinar on "Miracle of Yoga and Meditation to cope up with Covid-19Anxiety" organized by Yogi Vemana University, Kadapa, A.P. on 29.7.2021.
- Organized a National Webinar entitled "Covid 19 Therapeutics& Vaccines at Yogi Vemana University, Kadapa, A.P. 2021 on 16.7.2021.

- National Webinar on "In and Out of University Enter into Real Life jointly organized by IQAC & Alumni cell", YVU on 7.7.2021.
- National Webinar on Intellectual Property Rights and its Role in Research and Innovation held on July 3, 2021 jointly organized by IQAC & Innovation cell, YVU, Kadapa
- Two-day Webinar on Sustainable Ecosystem Restoration initiatives& Practices (SERIP) 2021 during 5-7 July, 2021 organized by National Institute of Technology Silchar, Assam
- One Day National Online workshop on psychological counseling support and COVID 19 volunteer skills organized by Mahatma Gandhi National Council of Rural Education, Department of Higher Education, Ministry of Education, Government of India in collaboration with National service scheme, A.P on 28th May 2021.
- Two Day International Workshop on Stress & Coping: Strategies to distress organized by Women Empowerment Cell, GITAM, Visakhapatnam, A.P. India on 12th & 13th June 2021.
- National Webinar on Restoration of Eastern Ghats Ecosystem" India organized by Dr. B. RR Government Degree College, Jadcherla on June 5, 2021.
- Organized National Webinar On "Restore our Earth" on the eve of Earth Day, 22.4.2021 at Yogi Vemana University, Kadapa.
- Five days faculty Development programme on "Geospatial Technology and its Application" organized by National Institute of Technology, Manipur during 14-18 December, 2020.
- National Level Webinar on "Applications of Geology in Civil Engineering" organized by Department of Civil Engineering, Ashok Rao Mane Group of Institutions held on Wednesday, 16th December, 2020.
- Five-day online workshop on Science Diplomacy in South Asia 21 November to 13 December 2020.
- Five-day orientation program on Youth Development for NCC officers of North Eastern Region organized by the Rajiv Gandhi National Institute of youth Development, Sriperumbudur, Tamil Nadu in collaboration with the national cadet corps- North Eastern Directorate, Shillong, Meghalaya from October 27-31, 2020 through online.
- Three-day online FDP on E learning Management system organized by YVU, Kadapa 29 June to 1 July 2020
- One day webinar on NAAC Assessment and Accreditation process organized by Yogi Vemana University, Kadapa held on July 14, 2020.
- A two-day national Webinar (FDP) on Analytical and Diagnostic tools in Chemical and Life Sciences organized by Andhra University, Visakhapatnam and Andhra Pradesh Academy of Sciences (ADTCL-2020) from 5.6.2020 to 6.6.2020.
- One Week Online Faculty Development Programme on 'Innovations in Teaching Methodologies' (ITM-2020) May 21-27, 2020
- Modern Methods for Remote Teaching- Learning Practices organized by Krishna University, Machilipatnam, in association 12-13 May 2020
- International webinar on "GIS Applications & career Opportunities" organized by Geography Department- RPS Degree college, Balana, Mahendergarh, Haryana and Netra Institute of Geoinformatics on 8.5.2020.
- An interactive Webinar on Quantifying the quality of Research 15-5-2020 to 17.5.2020
- Webinar on Introduction to Artificial Intelligence Swami Vivekananda Institute of Technology, Secunderabad on 7.5.2020.

- Training of NSS Programme Officers of Andhra University on COVID-19 and Risk Communication" on 30.4.2020.
- One week FDP on "Covid-19 issues, Challenges and Intervention in the contemporary Crisis" Government First Grade College, HSR Layout, Bangalore. 30th April to 6 May 2020.
- Online Tools and Software for Remote Teaching- Learning UGC-HRDC, JNTUH, Hyderabad, Telangana State. 23-25 April, 2020
- Three days online hands-on workshop on second Technology enabled learning Moodle platform organized by JNTUH, Hyderabad, Telangana during 25-27 May 2020.
- International Webinar-Two-day FDP Programme on Current Environmental Global Scenario: Issues and challenges Government Degree college, Rajahmundry from 18-19 May 2020.
- Webinar on "Water Chemistry interpretation methods part-I" organized by Department of Geology, Government Arts College, Salem, Tamil Nadu 26 June 2020.
- Faculty Development Programme on "**Rural Immersion and Community Engagement"** at Yogi Vemana University, Kadapa during 2.7.2019 to 6.7.2019.
- Faculty Development Programme On "Personality Development and computer skills at Yogi Vemana University, Kadapa during 24.2.2019 to 6.3.2019.
- 8th Refresher Course in **"Environmental Studies",** (UGC, HRDC Sponsored), S.V University, Tirupati, June 1-20, 2015.
- 4th course on "**Application of Geoinformatics in Disaster Management"** (ISRO sponsored), **Geological Survey of India, Hyderabad, 2008.**
- Participated in **Role of Mathematical Modeling in Groundwater flow and mass transport,** Department of Geology, Andhra University, Visakhapatnam, 2006.
- ICP-MS (Inductively coupled plasma – mass spectrometry) and associated analytical techniques for geochemical, mineral exploration and environmental studies, National Geophysical Research Institute, Hyderabad, 2003.
- ICP-AES, Principles and Applications in Environmental Geo-Sciences and oil Exploration, National Geophysical Research Institute, Hyderabad, 2000.

Invited lectures/Session Chairs:

- Delivered an invited talk on "Evaluation of Groundwater Quality through Hydrogeochemistry and human health Risk of Cuddapah, A.P. South India" in the International Conference Earth & Environment in Anthropocene, 2025 **(ICEEA-2025)** during 5-7, March, 2025, Karnataka, India.
- Delivered an invited talk on "Integrated Approach for the Evaluation of Groundwater Quality through Hydrogeochemistry and human health Risk from Hard Rock terrain, Cuddapah, A.P. South India" in the International Conference on Water: From Pollution to Purification (**ICW 2023)** during February 09-12, 2023, Kottayam. India.
- Distinguished Session Chairs in the International Conference on **Research Innovations & Challenges (ICRIC)** created and powered by Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu, India scheduled on 20 January 2023 for Track 1: Science, Engineering & Technology (SET).

- Distinguished Session Chairs in the International Conference on Contemporary Researches in Engineering, Science, Management & Arts (ICCRESMA) created and powered by Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu, India scheduled on 27-29 January 2022 for Track 1: Science, Engineering & Technology (SET).
- Distinguished Session Chairs in the International Conference on Contemporary Researches in Engineering, Science, Management & Arts (ICCRESMA) created and powered by Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu, India scheduled on 27-29 January.
- **V. Sunitha** (2022). **Valedictory Keynote Address** in the International Conference on Contemporary Researches in Engineering, Science, Management & Arts (ICCRESMA) created and powered by Centre for Research & Training (CRT), National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu, India scheduled on 27-29 January 2022.
- **V. Sunitha** (2021). **Valedictory Keynote Address** in the First International Conference on Global Research Perspectives in Engineering & Technology for Holistic Restructuring, Chennai, Tamil Nadu,24-25 September, 2021.
- **V. Sunitha** (2021). August 2021 Resource Person for **Refresher course in Earth System and Exo- Meteorology** Osmania University, Hyderabad.
- **V. Sunitha** (2021). **"**Mineral Resources of Rayalaseema" organized by Vemana Adhyana Vedika
- **V. Sunitha** (2021). National Webinar on Water Conservation organized by Andhra Pradesh State Council of Science& Technology on 26.4.2021
- **V. Sunitha** (2020). Application of Basic Remote Sensing in Geology at Department of civil Engineering, CMR college of Engineering and Technology on 13-3-2020.
- **V. Sunitha** (2020). Resource Person for **Refresher course in Earth System and Exo-Meteorology** Osmania University, Hyderabad.
- **V. Sunitha** (2020). Non carcinogenic effect of Nitrates (NO_3^-) in drinking water surrounding inactive mine lands in Cuddapah basin, Andhra Pradesh, South India at Osmania University, Hyderabad.
- **V. Sunitha** (2020). **"Role and Significance of Girl Child" organized by NSS YVU** on 11.10.2020.
- **V. Sunitha** (2018). Geo Resources Exploration & Exploitation, present scenario and Evolving Trends, Osmania University, Hyderabad.
- **V. Sunitha** (2018). **"Role of Women Empowerment in today's modern world" on the eve of International Women's Day on March 8, 2018** Krishnaveni Schools, Ananthapuramu, A.P.
- **V. Sunitha** (2018). **"Human development effect on Groundwater sustainability"** Krishnaveni schools, Ananthapuramu, A.P.
- **V. Sunitha** (2011). Groundwater Quality with special reference to Fluoride INTAC, Kadapa
- **V. Sunitha** (2010). Mathematical Modeling of groundwater pollution at National Conference on Mathematical Modelling of Groundwater pollution, Department of Applied Mathematics, Yogi Vemana University, Kadapa.

Approach: Volume 1. Springer Water. Springer, Cham. https://doi.org/10.1007/978-3-031-88870-0

2. **Sunitha, V**., Muralidhara Reddy, B., Sudharshan Reddy, Y., Prasad, M., Pradeep Kumar, B., Balaji, E. (eds) (2025). Remote Sensing, GIS and Modelling for Water Resource Management, Volume 2. Springer Water. Springer, Cham. https://doi.org/10.1007/978-3-031-99497-5

3. **V. Sunitha** (2021). Edited a book entitled "Groundwater Sustainability & Techniques: A Geological Perspectives". NFED Publications Coimbatore, Tamil Nadu, India. ISBN: 978-81-954929-0-9.

Number of Book Chapters: 10

1. Prasad, M., **Sunitha, V**., Balaji, E., Reddy, B. M., Reddy, Y. S., & Kumar, B. P. (2025). Application of Water Quality Index, Hierarchical Cluster Analysis, Pollution Index of Groundwater and Geospatial Technologies in Evaluating the Water Quality: A Study from Mangampeta Barytes Mine Area, South India. In Springer water (pp. 745–774). https://doi.org/10.1007/978-3-031-88870-0_29
2. **V. Sunitha** (2023) "Health Risk appraisal of Fluoride and Nitrate Contamination in Groundwater: A case study from Limestone Terrain in South India" in the edited book 'Geological Developments in Anthropocene' Edited by Babu Nallusamy, Mohammed Aslam, Suresh Gandhi, Shaik Mohammad Husain School of Earth Sciences, Central University of Karnataka. ISBN No: 978-93-91355-17-3.
3. **V. Sunitha** (2023). An Experimental Study on Nitrate Contamination of Groundwater in irrigated Environments in the edited book titled 'Holistic Research Perspectives Vol.7' by Centre for Research & Training (CRT) - National Foundation for Entrepreneurship Development (NFED) Publications, Coimbatore, Tamil Nadu ISBN: 978-81-954929-4-7 March 2023.
4. **V. Sunitha**, & B. Suvarna (2022). Arsenic in Groundwater: Health Risks and Strategies for Mitigation in the edited book titled 'Holistic Research Perspectives Vol.7' by Centre for Research & Training (CRT) - National Foundation for Entrepreneurship Development (NFED) Publications, Coimbatore, Tamil Nadu. ISBN: 978-81-954933-2-6.
5. **V. Sunitha**, B. Suvarna (2022). Deciphering Groundwater Quality for Irrigation purposes in and around Cement Industrial Corridor, Yerraguntla Mandal, Y.S.R District, Andhra Pradesh in the edited book titled 'Holistic Research Perspectives Vol.7' by Centre for Research & Training (CRT) - National Foundation for Entrepreneurship Development (NFED) Publications, Coimbatore, Tamil Nadu ISBN: 978-81-954933-2-6.
6. B. Suvarna, **V. Sunitha**, Y. Sudharshan Reddy, (2021). Coastal Sands Textural Analysis from Ramakrishna Beach-Bhimunipatnam Tract (Visakhapatnam) East Coast of India in the edited book titled 'Environment and sustainable Human Life Volume-III Environmental Management- II' **ISBN:** 978-93-91308-29-2
7. Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, (2021). Monitoring of Land Cover and Land-Use Changes Using Geospatial Techniques in Pulivendla Mandal, A.P. in the edited book titled 'Environment and sustainable Human Life Volume-III Environmental Management- II' **ISBN:** 978-93-91308-29-2
8. **V. Sunitha,** (2021)**. Women's empowerment and gender equality through ICT** in the edited book titled 'Women Empowerment: Entrepreneurship Development & Holistic Challenges'. National Foundation for Entrepreneurship Development (NFED) Publications, Coimbatore, Tamil Nadu ISBN: 978-81-950075-7-8.

9. Y. Sudarshan Reddy, B. Suvarna, M. Prasad, **V. Sunitha**, M. Ramakrishna Reddy (2020). Temporal changes of solid waste at Limestone Quarries in and around Yerraguntla, Y.S.R District, A.P. using Google earth images. Urban mining and Sustainable Waste Management **Springer Publications**. Editor Sadhan Kumar Ghosh. https://doi.org/10.1007/978-981-15-0532-4_1299-110.
10. B. Muralidhara Reddy, **V. Sunitha** and M. Ramakrishna Reddy.2014. Geospatial Analysis of Fluoride contamination in Groundwater of Southeastern part of Anantapur District, Andhra Pradesh. Management of Natural Resources in a Changing Environment, Edited N. Janardhana Raju, Wolfgang Gossel, and M. Sudhakar, **Capital publishing company**, New Delhi Co-published by **Springer, International Publishing**, Cham, Switzerland: pp. 56-69.

Conferences International & National: 25

1. **V. Sunitha** (2022). Integrated Approach for Evaluation of Groundwater Quality through Hydrogeochemistry of Groundwater from Hard Rock Aquifer, Andhra Pradesh, India – An Analytical Study in the International Conference on Contemporary Researches in Engineering, Science, Management & Arts (ICCRESMA 2022) in association with Centre for Research & Training, National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.

2. **V. Sunitha**, & B. Suvarna (2022). Hydrogeochemical Assessment of Groundwater Quality for Irrigation Purposes in and around Cement Industrial Zone, Yerraguntla Mandal, Andhra Pradesh, South India in International Conference on Engineering, Science, Management & Arts (ICCRESMA 2022) in association with Centre for Research & Training, National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.
3. **V. Sunitha**, & Y. Sudharshan Reddy (2022). Evaluation of Environmental Impacts from Inactive Mine Sites using Conceptual Site Modeling (CSM) and Geospatial Techniques in the Southwestern Parts of Cuddapah Basin, Andhra Pradesh, South India in International Conference on Engineering, Science, Management & Arts (ICCRESMA 2022) in association with Centre for Research & Training, National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.
4. **V. Sunitha** (2021). Hydrogeochemical Analysis of Groundwater for drinking purposes from North eastern part of YSR District, with a focus on water Quality Index and Probable health risk assessment in the First International Conference on Global Research Perspectives in Engineering & Technology for Holistic Restructuring (IC-GRPETHR) conducted on 24-25 September 2021 by P.T. Lee Chengalvaraya Naicker Polytechnic College, ISTE Student Chapter, Chennai in association with Centre for Research & Training, National Foundation for Entrepreneurship Development (NFED), Coimbatore, Tamil Nadu.
5. **V. Sunitha** (2021). Water quality index studies and health risk assessment of fluoride in Northeastern part of Y.S.R District, A.P, India at **Virtual International Conference on Innovative Trends in Hydrological and Environmental Systems (ITHES-2021) organized by NIIT, Warangal.**
6. **V. Sunitha** (2020). Attended and participated in online Workshop Science Diplomacy in South Asia organized by the Science Diplomacy in South Asia working group of the Global Young Academy from **21 November to 13 December, 2020.**
7. **V. Sunitha** (2020). Participated in 5th Annual Research Meet organized by centre of Advanced Research and Design CARD of Venus International Foundation, Chennai on 3rd August 2019.
8. Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, M. Prasad & M. Ramakrishna Reddy (2019). Water Quality Index Development for Groundwater Quality Assessment in and around Vemula Mandal of YSR District, Andhra Pradesh, India. 5th joint International conference on Environmental sciences & climate change: Accomplishments, Plans and Challenges & 13th International congress on climate change, Territorial classification & Socio-economical crisis – 11-15th November – 2019 Chennai, India.
9. B. Suvarna, **V. Sunitha**, Y. Sudharshan Reddy, M. Prasad & M. Ramakrishna Reddy (2019). Relevance of Water Quality Index for Groundwater Quality Assessment in and around Yerraguntla Mandal of YSR District, Andhra Pradesh, India. 5th joint International conference on Environmental sciences & climate change: Accomplishments, Plans and Challenges & 13th International congress on climate change, Territorial classification & Socio-economic crisis – 11-15th November – 2019 Chennai, India.
10. Y. Sudharshan Reddy, B. Suvarna, M. Prasad, **V. Sunitha,** & M. Ramakrishna Reddy (2018). A Preliminary Investigation of Hydrogeochemistry of Groundwater In and around Abandoned Mines in Southwestern Part of Kadapa, Y.S.R District. BIODIVERSITY AND SUSTAINABLE RESOURCES MANAGEMENT (ICBSRM-2018) Centre for

Environmental Sciences (CES) and Centre for Water Resources Management (CWRM) University of Madras March 12-13, 2018.

11. B. Suvarna, Y. Sudharshan Reddy, M. Prasad & **V. Sunitha**, M. Ramakrishna Reddy (2018). Preliminary Groundwater Quality Studies In and around Yerraguntla Cement Industry, Kadapa, Y.S.R District. BIODIVERSITY AND SUSTAINABLE RESOURCES MANAGEMENT (ICBSRM-2018) Centre for Environmental Sciences (CES) and Centre for Water Resources Management (CWRM) University of Madras March 12-13, 2018.
12. M. Prasad, Y. Sudarshan Reddy B. Suvarna M. Ramakrishna Reddy & **V. Sunitha** (2018). Application Of Geospatial technology in evaluating the impact of Urbanization on Agriculture. BIODIVERSITY AND SUSTAINABLE RESOURCES MANAGEMENT (ICBSRM-2018) Centre for Environmental Sciences (CES) and Centre for Water Resources Management (CWRM) University of Madras March 12-13, 2018.
13. Y. Sudharshan Reddy, B. Suvarna, M. Prasad, **V. Sunitha**, M. & Ramakrishna Reddy. (2018). A Preliminary Investigation of Environmental Impact of Abandoned Mines in Southwestern Part of Cuddapah Basin-ERAS-2018, Central University of Karnataka, Gulbarga, Karnataka State.
14. M. Prasad, T. Rama Krishna, M. Ramakrishna Reddy & **V. Sunitha (2018).** Hydrological Importance in Formation of Sinkholes – A Case Study from Yellanur Mandal, Anantapur District, Andhra Pradesh- ERAS-2018, Central University of Karnataka, Gulbarga, Karnataka State.
15. M. Prasad, V. Sampath Kumar, M. Ramakrishna Reddy, & **V. Sunitha (2018).** A Study of River Mouth Dynamics by Using Google Earth Data- Case Study from Manneru River Prakasam District, Andhra Pradesh. ERAS-2018, Central University of Karnataka, Gulbarga, Karnataka State.
16. **Vangala Sunitha**, & Mark P.S., (2017). Geogenic contamination of Fluoride in Groundwater of Uravakonda, Anantapur District, Andhra Pradesh, India. 2017. Washington State Convention Center Seattle, WA, USA 22-25 October, 2017 GEOLOGICAL SOCIETY OF AMERICA ANNUAL MEETING 2017.
17. **Vangala Sunitha**, BANDI Muralidhar Reddy, & KREKELER Mark P.S., (2017). Nitrate Contamination in Groundwater in some rural Areas of Anantapur District, A.P South India. GEOLOGICAL SOCIETY OF AMERICA ANNUAL MEETING 2017 Washington State Convention Center Seattle, WA, USA 22-25 October, 2017.
18. KREKELER Mark P.S., DIETRICH Matthew, **Vangala Sunitha**, TULLY Jennifer, LEGALLEY Erin, ARGYILAN Erin P, BURKE Michelle & WOLFE Amy (2017). Environmental properties and impacts of nanoparticles in urban landscapes of the midwest: microscopy studies of street sediment demonstrate cause for concern GEOLOGICAL SOCIETY OF AMERICA ANNUAL MEETING 2017 Washington State Convention Center Seattle, WA, USA 22-25 October, 2017.
19. **Vangala Sunitha** (2017). Zinc Polymorphs Sphalerite and Wurtzite 5th Annual Mid west Chapter Friends of Mineralogy Symposium Dept of Geology & Environmental Earth Sciences, Miami University, Oxford, Ohio, U.S.A. March 11, 2017.
20. **Vangala Sunitha** (2017). BRETZ Richard L, & KREKELER Mark P.S. Phosphate Sorption on Kyanite: Progress Towards a Geoenvironmental Technology To Combat Non-Point Source Pollution. Geological Society of America Pittsburgh, PA USA March 19, 2017.

21. **Vangala Sunitha** (2017). DIETRICH Matthew, BURKE Michelle, WOLFE Amy ARGYILAN, Erin P & KREKELER, Mark P.S. 2017. A Preliminary Field Emission Scanning Electron Microscopy (FESEM) And Transmission Electron Microscopy (TEM) Foray into Street Sediments of Gary, Indiana: Major Environmental Health Concerns Are Evident. Geological Society of America Pittsburgh, PA March 2017.
22. DIETRICH Matthew, WOLFE Amy, BURKE Michelle, **Vangala Sunitha**, ARGYILAN, Erin P, LEGALLEY Erin & KREKELER Mark P.S. (2017). A preliminary urban geochemical exploration of street sediments of Gary Indiana indicates major concerns are warranted. Geological Society of America Pittsburgh, PA March 20. 2017.
23. **V. Sunitha,** & Muralidhara Reddy, B (2013). Geospatial Analysis of Fluoride contamination in Groundwater of Southeastern part of Anantapur District, Andhra Pradesh. Presented in International Humboldt Kolleg on Management of Water, Energy and Bio-Resources in Changing Climate Regime: Emerging Issues and Environmental Challenges. (IHK-2013) JNU, New Delhi.
24. **V. Sunitha,** & J. Abdullah Khan (2013). Morphometric Analysis of Cheyyeru River Sub-Basin in Andhra Pradesh State, India using Spatial Information Technology. Presented in International Humboldt Kolleg on Management of Water, Energy and Bio-Resources in Changing Climate Regime: Emerging Issues and Environmental Challenges. (IHK-2013) JNU, New Delhi.
25. **V. Sunitha** & Rajeswara Reddy, B (2004). Trace element concentration in groundwater of Uravakonda and surrounding areas Presented in International conference on Soil and groundwater contamination, risk assessment and remedial measures, **National Geophysical Research Institute, (NGRI) Hyderabad** 8-11, December, 2004.

National: 65

1. **V. Sunitha, Y** Sudarsana Reddy, & B. Suvarna (2021). Non-Carcinogenic Human Health Risk assessment (HHR) of Fluoride and Nitrteusing Pollution Index of Groundwater (PIG) & GIS in and aroundHard rock terrain of Y.S.R District, A.P South India in the National Seminar on Emerging Pollutant in Geoshper: Impact on Environment, Managgement Challenges held during 9-10 July 2021 in the Department of Geology, Malankara College,Mariagiri, Kanyakumari, India.
2. Sudarsana Reddy, B. Suvarna, **V.Sunitha**, & L. Dakshayani (2020). Preliminary studies on Evaluation of Bioremediation of heavy metals in contaminated soil and Groundwater in cement production area of Yerraguntla, Kadapa, A.P National Seminar cum Workshop on "Alternatives to Animal Experiments for Life Science Research" to be held in the Department of Zoology, Yogi Vemana University, Kadapa during 24-25th February 2020.
3. **V. Sunitha** (2020). Problems & Challenges of Women in Geosciences Research. National level Seminar on "Issues, Challenges and Prospects of Women Participation in research and development activities in India: past, present and future scenario" February 14-15, 2020 organised by department of Management, Yogi Vemana University, Kadapa, A.P India.
4. Y. Sudharshan Reddy, **Sunitha V,** B. Suvarna, & M. Ramakrishna Reddy (2020). Non carcinogenic effect of Nitrates (NO_3^-) in drinking water surrounding inactive mine lands in Cuddapah basin, Andhra Pradesh, South India. National Conference on Advances in chemical Research for Sustainable Developments in Energy, Environment and Pharmaceutics (ACR-SDEP-2020) 19-20 February, 2020 Organised by Department of Chemistry. Yogi Vemana University, Kadapa, A.P India.

5. B. Suvarna, **V. Sunitha**, Y. Sudharshan Reddy, & M. Ramakrishna Reddy (2020). Groundwater Quality Characterization in and around Cement Industrial Zone, Yerraguntla Mandal, Andhra Pradesh, South India. National Conference on Advances in chemical Research for Sustainable Developments in Energy, Environment and Pharmaceutics (ACR-SDEP-2020) 19-20 February, 2020 Organised by Department of Chemistry, Yogi Vemana University, Kadapa, A.P India.
6. Sudharshan Reddy Y, **Sunitha V,** & Suvarna B. (2020). Health risk assessment of Nitrate and Fluoride contamination in drinking water using Remote sensing & GIS in and around inactive mine lands, Vemula, Vemaplli Mandal, Y.S.R District, South India. National Seminar on Advances in Advances in Earth Sciences for Exploration and management of natural resources, 27th and 28th February, 2020 organised by Department of Geophysics, Osmania University, Hyderabad.
7. B. Suvarna, **V. Sunitha**, & Y. Sudharshan Reddy (2020). Groundwater water quality assessment using weighted arithmetic index method and GIS Techniques in around Cement industrial corridor, Yerraguntla Mandal, Y.S.R District, A.P South India National Seminar on Advances in Advances in Earth Sciences for Exploration and management of natural resources, 27th and 28th Febraury, 2020 organised by Department of Geophysics, Osmania University, Hyderabad.
8. B. Suvarna, **V. Sunitha**, Y. Sudharshan Reddy, B. Muralidhara Reddy, M. Prasad & M. Ramakrishna Reddy. (2019). Seasonal variation of nitrate contamination in groundwater and health risk assessment around limestone mining areas of Yerraguntla, Y.S.R district, A. P. South India. National Seminar on *Recent Advances and Challenges in Geosciences: Sustainable Management of Environment and Georesources'*29-30 November 2019, Adikavi Nannaya University, Rajuhmundry, Andhra Pradesh, India.
9. Y. Sudharshan Reddy, B. Suvarna, **V. Sunitha**, B. Muralidhara Reddy, M. Prasad & M. Ramakrishna Reddy (2019). Environmental and Physical Impact Assessment using Conceptual Site model (CSM) For Inactive/Abandoned Mines in South Western part of Y.S.R District, A.P India. National Seminar on *Recent Advances and Challenges in Geosciences: Sustainable Management of Environment and Georesources.*29-30 November 2019, Adikavi Nannaya University, Rajuhmundry, Andhra Pradesh, India.
10. **V. Sunitha**, L. Dakshayani, Y. Sudarsana Reddy & B. Suvarna (2019). Bioremediation of heavy metals from contaminated soil and Groundwater using microorganisms National Conference on Marine Pollution and Ecotoxicology: Strategies for sustainable ecosystem (MPESSE-2019) held at Department of Marine Biology Vikrama Simhapuri University, Nellore, A.P during 13-14 March 2019.
11. Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, M. Prasad, & M. Ramakrishna Reddy (2018). Physical characteristics of Abandoned mines and its environmental impact around Vemula mandal, Y.S.R. District, A.P. AP Science Congress held at Yogi Vemana University, Kadapa, A.P during Nov 9-11,2018.
12. B. Suvarna, Y. Sudharshan Reddy, Y. G. Saisudha, M. Prasad, **V. Sunitha**, & M. Ramakrishna Reddy (2018). Preliminary Groundwater Quality assessment in and around limestone quarries, Yerraguntla, Y.S.R District, Kadapa AP Science Congress held at Yogi Vemana University, Kadapa, A.P during Nov 9-11,2018.
13. M. Prasad, B. Muralidhara Reddy, Y. Sudarshan Reddy, B.Suvarna, M. Ramakrishna Reddy, & **V. Sunitha** (2018). Application of geospatial technologies for dam site suitability: a case study from Buggavanka dam, YSR district, Andhra Pradesh. AP Science Congress held at Yogi Vemana University, Kadapa, A.P, during Nov 9-11,2018.

14. D. Sudharani**,** M. Prasad, B. Suvarna, Y. Sudarshan Reddy, & **V. Sunitha** (2018). Water quality index development for groundwater quality assessment in and around Obulavaripalli Mandal of YSR District, Andhra Pradesh, India AP Science Congress held at Yogi Vemana University, Kadapa, A.P during Nov 9-11,2018.
15. Y.G. Sai Sudha, Y. Sudarshan Reddy B. Suvarna, M. Prasad, **V. Sunitha**, & M. Ramakrishna Reddy (2018). Solid waste management and Hydrogeochemistry of Limestone quaries in and around Yerraguntla town, Y.S.R district, A.P. AP Science Congress held at Yogi Vemana University, Kadapa, A.P during Nov 9-11,2018.
16. **V. Sunitha** (2018). Toxicity and health effects of Heavy Metals: Presented in National seminar on A Review Challenges in the development of earth resources - a geological, geochemical and geophysical appraisal in the Department of Geology, Kakatiya University, Warangal, Telangana-506009 during 23rd - 24th February.2018.
17. **V. Sunitha**, Y. Sudharshan Reddy, J.Abdullah Khan, B. Muralidhar Reddy, M. Prasad, & M. Rama Krishna Reddy (2018). Hydrogeochemical analysis and evaluation of groundwater quality studies in and around Badvel, Kadapa, Y.S.R district, Andhra Pradesh, Presented in National seminar on A Review Challenges in the development of earth resources - a geological, geochemical and geophysical appraisal in the Department of Geology, Kakatiya University, Warangal, Telangana-506009 during 23rd - 24th February.2018.
18. **V. Sunitha**, Y. Sudharshan Reddy, J. Abdullah Khan, M. Prasad, & M. Ramakrishna Reddy. (2018). Application of water quality index for groundwater quality assessment in parts of Kadapa and Anantapur districts, Andhra Pradesh, India Presented in National seminar on A Review Challenges in the development of earth resources - a geological, geochemical and geophysical appraisal in the Department of Geology, Kakatiya University, Warangal, Telangana-506009 during 23rd - 24th February.2018.
19. **V. Sunitha**, B. & Rajeswara Reddy (2018). Geochemistry and Sources of Fluoride and Nitrate Contamination of Groundwater in Parts of Anantapur District, A.P India. Presented at National seminar on Geo Resources Exploration &Exploitation: Present Scenario and Evolving Trends- Greepset—2018 Department of Applied Geochemistry, Osmania University, Hyderabad during 29-30 January 2018.
20. Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, M. Prasad, & M. Ramakrishna Reddy (2018). Physicochemical Characteristics of Abandoned Mine Sites in Southwestern Part of Cuddapah Basin presented at National Seminar on Geo Resources Exploration & Exploitation: Present Scenario and Evolving Trends- Greepset-2018 Department of Applied Geochemistry, Osmania University, Hyderabad during 29-30 January 2018.
21. B. Suvarna, Y. Sudharshan Reddy, **V. Sunitha**, M. Prasad, & M. Ramakrishna Reddy (2018). Bioremediation of Heavy Metals by Microorganisms from Environmental Media presented at National Seminar on Geo Resources Exploration & Exploitation: Present Scenario and Evolving Trends- Greepset-2018 Department of Applied Geochemistry, Osmania University, Hyderabad during 29-30 January 2018.
22. M. Prasad, Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, & M. Ramakrishna Reddy (2018). Geospatial Data Analysis for Monitoring of Water Quality Parameters in Buggavanka, Kadapa, Andhra Pradesh India presented at National Seminar on Geo Resources Exploration &Exploitation: Present Scenario and Evolving Trends- Greepset-2018 Department of Applied Geochemistry, Osmania University, Hyderabad during 29-30 January 2018
23. M. Prasad, Y. Sudharshan Reddy, **V. Sunitha**, B. Suvarna, & M. Ramakrishna Reddy (2018). Hydrogeologic Factors Affecting the Sinkholes Development in From Yellanur

Mandal, Anantapur District, Andhra Pradesh. Presented at National Seminar on Geo Resources Exploration &Exploitation: Present Scenario and Evolving Trends- Greepset-2018 Department of Applied Geochemistry, Osmania University, Hyderabad during 29-30 January 2018.

24. **Sunitha V** (2017). Participated in National workshop on "Exploration of Natural Resources" on 25 October, 2017.
25. B. Suvarna, Y. Sudharshan Reddy, & **V. Sunitha (**2016**).** Heavy Mineral Distribution of coastal sands along Ramakrishna beach to Bhimunipatnam beach Andhra Pradesh East Coast of India. Participated in Second A.P Science Congress A.P India at P.B. Siddhartha College of Arts & Science, Moghalrajpuram, Vijayawada during 7-9, November, 2016.
26. M. Prasad, M. Ramakrishna Reddy, & **V. Sunitha** (2016). Application of Google Earth Temporal Data for Sinkholes Detection: A Case Study from Part of Cuddapah Basin, South India Participated in Second A.P Science Congress A.P India at P.B. Siddhartha College of Arts & Science, Moghalrajpuram, Vijayawada during 7-9, November, 2016.
27. Y. Sudharshan Reddy, B. Suvarna, **V. Sunitha**, M. Prasad, & M. Ramakrishna Reddy (2016). Solid Waste Management of Limestone mining in southwestern part of Yerraguntla, YSR Kadapa District, A.P Participated in Second A.P Science Congress A.P India at P.B. Siddhartha College of Arts & Science, Moghalrajpuram, Vijayawada during 7-9, November, 2016.
28. M. Prasad, **V. Sunitha** & M.R.K Reddy 2016. Application of Remote Sensing &GIS for locating Groundwater Potential zones in and around Mangampeta Barites mine Area, Y.S.R Dt, A.P27-29 Jan, 2016, S.V.U, Tirupati.
29. M. Prasad, M. R. K Reddy & **V. Sunitha** (2016). Spatial Information Monitoring of Mangampeta Barytes Mine, A.P using GIS& Remote Sensing National seminar on "Neo Multi-Disciplinary studies on Cuddapah Basin 26-28 November, 2016 Loyola Degree College Pulivendula YSR Dt, AP.
30. Y. Sudarshan Reddy, B. Suvarna, M. Prasad, **V. Sunitha**, & M. Ramakrishna Reddy (2016). Solid Waste Management of Limestone mining in southwestern part of Yerraguntla,YSR Kadapa District, Second Andhra Pradesh Science Congress -2016, 7- 9, November P.B. Siddhartha College of Arts & Science, Moghalrajpuram, Vijayawada
31. Y. Sudarshan Reddy, B. Suvarna, M. Prasad, **V. Sunitha**, & M. Ramakrishna Reddy (2016). Detecting Temporal changes in Penna River Estuary using Google Earth images National seminar on "Neo Multi-Disciplinary studies on Cuddapah Basin 26-28 November, Loyola Degree College Pulivendula YSR Dt, A.P.
32. B. Suvarna, Y. Sudharshan Reddy, M. Prasad, **V. Sunitha** & M. Ramakrishna Reddy (2016). Heavy Mineral Distribution of Coastal Sands Along Ramakrishna Beach to Bhimunnipatnam Beach Andhra Pradesh, East Coast of India. Second Andhra Pradesh Science Congress 7- 9, November, 2016 P.B. Siddhartha College of Arts & Science, Moghalrajpuram, Vijayawada.
33. **V. Sunitha** & Muralidhara Reddy, B (2014). Hydrochemical status of groundwater in Badvel, Y.S.R district with special reference to Fluoride Distribution. National Seminar on Recent Trends in Geochemical Environmental Aspects of the mineralization in Kadapa Basin (RTGCEAM-2014). Loyola Degree College, Pulivendula. October 25-26, 2014.
34. **V. Sunitha** (2015). A Geospatial approach for assessing groundwater fluoride contamination in Southeastern part of Anantapur District, Andhra Pradesh, India. UGC Sponsored National Seminar on Chemistry for Pharmaceutical, Biological, Energy and Environmental Applications". Department of Chemistry, Y.V.U 19.3.2015.

35. **V. Sunitha** (2015). Defluoridation of water using Mentha longifolia (Mint) as Bio adsorbent UGC Sponsored National Seminar on Recent Trends in Biotechnology and Bioinformatics. Department of Biotechnology, Y.V.U 25.3.2015.
36. **V. Sunitha (**2013). Major Ion Chemistry, Weathering Processes and water quality assessment in Southeastern part of Anantapur District, Andhra Pradesh. Presented in National Seminar on "Synergy of Geochemistry, Geology, Geophysics towards Natural and Energy Resources, Environment and Health Department of Geology University of Pune, and Indian Society of Applied Geochemists (ISAG), Hyderabad.
37. M. Prasad, K. Sunitha, **V. Sunitha** & M.R.K Reddy (2013). Geochemical analysis of Heavy metal in and around Thummalapalle uranium mining Area: An approach to Health impact Assessment National seminar on "Synergy of Geochemistry Geology, Geophysics towards Natural and Energy Resources Environment and Health" 14-15. Department of Geology, February University of Pune & Indian Society of Applied Geochemist (ISAG), Hyderabad.
38. **V. Sunitha (**2011). Groundwater Potential modelling in hard rock terrain Through Remote Sensing and GIS: A Case Study National Symposium on Recent Advances in Applied Geochemistry Current Status and Future Trends.
39. **V. Sunitha (**2011). Fossil Fuel and its impact on the Environment Presented in National Seminar Cum Workshop on Indian Petroleum Resources and Petroleum Industry, present Scenario and Future Prospects, **PETROFEST,** Delta Studies Institute, Andhra University, Visakhapatnam, A.P.
40. **V. Sunitha** (2011). Emerging Challenge: Fluoride Contamination in Groundwater in parts of Anantapur District, Andhra Pradesh. Presented in National Seminar on Strategies for Sustainable Environment, Department of Geology, S.V.U, Tirupati.
41. **V. Sunitha (**2011). Remote Sensing and GIS Applications in Watershed Management presented in National Seminar on Geospatial Database for Natural Disaster Management and Planning, Department of Geography, Osmania University, Hyderabad.
42. **V. Sunitha (**2011). Study of water resources and delineation of watershed in and around Pulivendula and Sanivaripalli area using Remote Sensing and GIS. Presented in National Seminar on Development and Sustainability of Earth Resources and Environment, Adikavi Nannaya University, Rajahmundry, A.P.
43. **V. Sunitha (**2011). Evaluation of Groundwater Resource potential using GIS and Remote Sensing Application presented in National seminar cum workshop on Environment and Sustainable Development in mineral Industry and Solid Waste Management Andhra University, Visakhapatnam.
44. **V. Sunitha (**2011). Hydrogeochemistry of Fluoride rich Groundwater in parts of Anantapur District, Andhra Pradesh, India presented in National Seminar on Geochemistry and Geophysics of Earth Materials and Environment, School of Earth Sciences, Swami Ramanand Teerth Marathwada University, Nanded, Maharashtra.
45. **V. Sunitha (**2011). Fluoride Contamination in Groundwater in parts of Anantapur District, Andhra Pradesh, presented in National Conference on Recent Developments in Geology, Mineral and Groundwater Resources of India, Institute of Science, Aurangabad and Gondwana Geological Society, Nagpur.
46. **V. Sunitha (**2010). Geochemical, Environmental impact Assessment of Barites – A case study in and around Mangampeta Barytes Mining area, Kadapa District, Using Remote Sensing Application presented in National Conference on "Emerging Technologies in Environmental Science, Department of Geology, Chirala, A.P.

47. **V. Sunitha (**2011). Nitrates in Groundwater Sources in parts of Anantapur District. National Seminar on Earth Resources – Role of Geologist in ameliorating the Environment, Department of Geology, S.V.U, Tirupati.
48. **V. Sunitha (**2010). Application of Remote Sensing in Delineation of Groundwater Potential Zones in Pulivendula- Sanivaripalli area, Kadapa District, A.P presented in National Seminar on "Geodynamics and Mineral Resources of Proterozoic Basins of India" (GAMP- 2010).
49. **V. Sunitha (**2010). An Integrated approach using GIS and geoelectrical techniques for the Assessment of groundwater conditions: A case Study presented in National Seminar on "Modern Trends and Techniques in Geophysical Modelling and computational methods" Department of Geophysics, Osmania University, Hyderabad.
50. **V. Sunitha (**2010). Mathematical Modeling of groundwater pollution presented in National Conference on Mathematical Modeling of Groundwater pollution, Department of Applied Mathematics, Yogi Vemana University, Kadapa.
51. **V. Sunitha (**2009). Fluoride Contamination in Groundwater in parts of Anantapur District, Andhra Pradesh presented in National Conference on Earth System processes and Disaster Management National Centre for Antarctic and ocean Research, Vasco-da- Gamma, Goa
52. **V. Sunitha (**2009**).** Mineral Resources of Kadapa District, A.P Presented in National Seminar on "Deltas and other Sedimentary basins their Resource Potential" Delta Studies Institute, Andhra University, Visakhapatnam.
53. **V. Sunitha (**2009). Deep trouble the hidden threat of Groundwater Pollution presented in National seminar on "Earth- A bounty planet" Department of Geology, S.V.U, Tirupati.
54. **V. Sunitha (**2009). The Occurrence and Geochemistry of Fluoride in groundwater in parts of Anantapur District presented in National workshop on "Applied Geochemistry in mineral Exploration: Current and Future Trends" ISAG and University of Mysore
55. **V. Sunitha (**2009). Geochemistry of Groundwater, Atmakur, Anantapur District, Andhra Pradesh, India Presented in National Seminar on "Emerging Trends of Earth Science Research in India. Department of Geology, Kakatiya University, Warangal.
56. **V. Sunitha (**2008). Fluoride contamination in groundwater, soil of Guntakal mandal, Anantapur District, Andhra Pradesh Presented in National Seminar on "Advances in Hydrosciences" Department of Geology, Sri Venkateswara University, Tirupati.
57. **V. Sunitha (**2008). Nitrates in groundwater Sources in Guntakal, Anantapur District, Andhra Pradesh, India presented in 1st AP Science Congress 2008 on "Emerging Trends in Science and Technology" Osmania University, Hyderabad.
58. **V. Sunitha (**2008). Fluoride incidence in Ground Water in Atmakur Mandal of Anantapur District, Andhra Pradesh, India, presented in National Symposium on "Significant Milestones in the growth of Geochemistry in India during the 50 Year period: 1958-2008" Geological Society of India and Atomic Minerals Directorate for Exploration and Research, Hyderabad.
59. **V. Sunitha** & Rajeswara Reddy B (2006). Hydrogeochemistry of fluoride in groundwater of Wajrakarur Mandal of Anantapur District, Andhra Pradesh. Presented in International conference Groundwater for sustainable development-problems, perspective and challenges-(IGC-2006) JNU, New Delhi, India.
60. **V. Sunitha** & Rajeswara Reddy, B (2005). Distribution of fluoride in groundwater of Guntakal mandal, Anantapur District, Andhra Pradesh. Presented in International Conference on Environmental Management at Centre of Environment, Jawaharlal Nehru Technological University (JNTU), Hyderabad.

61. **V. Sunitha** & Rajeswara Reddy, B (2005). Hydrogeochemistry of Groundwater of Uravakonda, Anantapur District, Andhra Pradesh Presented in International symposium on Applied Geochemistry in the evaluation and management of onshore and offshore Geo-Resources **Atomic Mineral Division (A.M.D)** Hyderabad.
62. **V. Sunitha** & Rajeswara Reddy B (2005). Hydro geochemistry of fluoride in ground waters of Uravakonda Mandal Anantapur District Presented in **4th *Asia Pacific symposium*** on Environmental Geochemistry, **Curtin University of Technology Perth, Western Australia.**
63. **V. Sunitha (**2005). Distribution of Fluoride in the groundwater of Gooty area, Anantapur District, Andhra Pradesh, India Presented in National Symposium on "Geochemistry of Earth Resources and bearing on their Development" University College of Science, Osmania University, Hyderabad.
64. **V. Sunitha (**2004). Nitrate Contamination in Ground water of Uravakonda and Surrounding Areas presented in National Seminar on "Recent trends in Earth sciences" Department of Geology, Sri Venkateswara University, Tirupati.
65. **V. Sunitha (**2004). Fluoride in Ground Water of Anantapur Town, Anantapur District, Andhra Pradesh, India, presented in National Symposium on "Applied Geochemistry in Exploration for Minerals and Oil" A.M.D (Atomic Mineral Division) Hyderabad.
